This beautifully updated home on a 1-acre lot offers a perfect blend of country charm and convenient proximity to town. Enjoy breathtaking views of Mount Diablo. The property is spacious enough for horses, toys, and more. The kitchen features granite slab counters, with stainless steel appliances. The home boasts engineered hardwood floors and tile flooring, complemented by upgraded light and plumbing fixtures. Additional upgrades include a newer well installed, pressure tank, kinetic water system, brand new tankless water heater, Starlink satellite, tool shed, large Conex box, and a small weather-sealed Conex box. This property also presents endless opportunities to add an ADU or in-law unit, perfect for extended family living or as an additional income source. Don't miss the opportunity to own this country charm home with expansive potential.
